MEMORANDUM FOR THE RECORD

SUBJECT: Louis MADISON

1. In connection with the interest of this office in the above Subject I conferred with [redacted] of the CI Staff on 19 July 1960 and he delivered to me for retention in this office the material in the attached envelope which he stated had been given to him personally by Mr. ANGUETON, Chief, CI Staff, in 1955 for safekeeping. He advised that the material contained considerable sensitive information relating to present or former employees of this Agency primarily growing out of the investigations concerning the conduct and activities of Mr. Robert BISHOP of OSS during World War II. Mr. TENNEY advised that particularly sensitive is the memorandum of 8 August 1949 dealing with the interviews of BISHOP whose identity is not, in fact, shown in the memorandum.

2. The material in the attached envelope should not be made available to casual seekers and the information in the memorandum of 8 August 1949 should not be made available except to the Chief, CI Staff and persons designated by him.
